

Oh, I Love America

A-M-E-R-I-C-A

I love America every day.

If you love America like I do

You can sing a song and I'll sing with you.

Oh I love America

Oh I love America

Oh I love America

I do

I do

I do

TAPS

Day is done

Gone the sun

From the hills

From the skies

All is well

Safely rest

Safely rest

All is well
